Dear Dr. Yao:

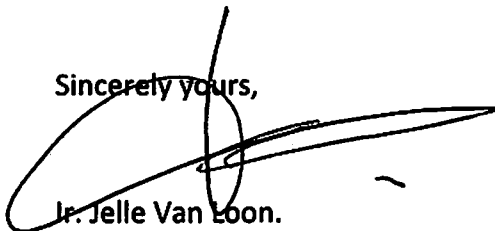

On behalf of International Maize and Wheat Improvement Center(CIMMYT), it is my pleasure to invite you to the Sustainable Intensification Program (SIP) in El Batán, Mexico. While at CIMMYT, you will be considered as a Visiting Scientist. Your research will be focusing on conservation tillage and agricultural machines research and development.

Please be advised that all Visiting Scientist are required to sign some agreements with CIMMYT which includes a Standard of Conduct and Visiting Scientist Research Agreement. By accepting this invitation, you agree to follow any health, phytosanitary, biosafety, intellectual property and other CIMMYT guidelines and policies. Your travel expenses will be covered by your institution, and your accommodation, living allowance and medical insurance during the visit will be covered by CIMMYT through CAAS (China) - CIMMYT Young Scientists program. We are expecting you to be here for three months in 2019.

Dr. Jelle van Loon will be your host scientist so please contact him directly for questions regarding technical matters.

Should you have any question, please don't hesitate to contact us.

Sincerely yours,

**Jr. Jelle Van Loon.**
