Re: Invitation Letter

Dear Mr. Song,

I am pleased to invite you and your colleague Mr. Jiaoling Wang to visit the University of California-Davis during October 10-26, 2019 for academic exchange related agricultural product processing. Based on our common research interest in food safety and processing, we will exchange research ideas and discuss the potential collaboration. During your visiting in California, you will have opportunities (1) to visit the food processing lab at UC Davis, and (2) to meet researchers and professors in the Department of Biological and Agricultural Engineering, UC Davis. I understand that you and your colleague will also attend the PMA Fresh Summit at Anaheim, California during October 17-19.

To my understanding, your travel, housing and living expenses during your trip are fully funded by your institute.

I am looking forward to meeting you in my department.

Sincerely,

A handwritten signature in cursive script that reads "Zhongli Pan".

Zhongli Pan Ph.D.
