Invitation

Dear Prof. Gong Yan,

on behalf of the Julius-Kühn-Institut I would like to invite you to the Institute for Application Techniques in Plant Protection in Braunschweig from 13 to 21 November 2019.

As I understand, you are generally interested in technological exchange with JKI on

- (1) precise fertilization, irrigation and applying pesticide,
- (2) diagnosis and management of crop nutrition, diseases and insect,
- (3) utilization rate of chemical fertilizer and pesticide, pesticide application technology and equipment,
- (4) optimization of spray parameters,
- (5) rapid detection technology for spray deposition.

You will also visit the Agritechnica exhibition and companies producing agricultural equipment

All travel expenses will be paid by yourself.

Details: Gong Yan, female, birthday 23.06.1976, passport no. PE1542794.

With best wishes

Yours sincerely

Dr.-Ing. A. Herbst
